Plans of the Woman's Evening Clinic to enlarge its scope of activities during the period of reconstructo this country with her parents in order to be of assistance to the thou- circuit and the transmission of the 1844. She had made her home in this sands of war workers in Washington who require medical attention and treatment but whose income does not Dorsey, of Maryland; her sister, and permit consultation and treatment by physicians.

> Six years ago the clinic was organized in the interest of girl and women workers making twelve dollars a week or less. Owing to the increased the wage limit to larger incomes.

Treat Many Persons. During the war the clinic treated Folkmar said today. More than 18,- of events. 000 visits were made to the clinic for help and consultation.

The active staff for the general linic is composed of women physicians. The consulting staff includes thirty of the best known physicians and surgeons in Washington. The clinic is supported by annual dues from the eight hundred memnorning for Mrs. Robert H. Floyd-bers in the District. The dues are from one dollar to twenty-five dollars per year. Equipment has been purchased from special donations. The clinic has never made an appeal for public help and has never given a tag day to raise funds.

Washington women and others who would share in the welfare work performed by this organization are infor membership in the clinic.

Formal Announcement. The clinic's announcement today
